

Kindergarten Math Words		
circle	count	shape
square	ones	row
triangle	tens	equal
rectangle	hundred(s)	less than
hexagon	zero	shorter
sphere	flat	inch
cylinder	solid	tally
cone	2D	data
cube	3D	build
count on	plane	width
graph	column	longest
digit	number	take from
compare	sum	tally
minus	subtract	data
all together	in all	take away
addition (sentence)	less	difference
weight	smaller	more
longer	non-standard	larger
measure	add to	standard
how many	sort	put together
is equal to	sequence	make a ten
sides	pattern	in front of
surfaces	forward	next to
curves	backwards	take away
corner	number line	difference
vertex	ten frame	more
vertices	touch points	shortest
roll	tally marks	take apart
stack	tally chart	above
slide	bar graph	below
picture graph	order	beside
doubles	total	shortest
add	count back	fewer
taller	greater than	behind
subtraction (sentence)	length	star
oval	heart	octagon
trapezoid	diamond	time
hour	clock	plus
line	fact family	

Kindergarten ELA Words	
activity	long sound
affix	main topic
alphabet	meaning
author	middle
back cover	non-fiction
beginning	opposite
blend	period
book	poetry
capital	print
characters	problem
compare	question mark
consonant	read
contrast	retell music
details	retelling
different	rhyme music
end	role
events	setting
exclamation mark	short sound
fiction	sight word
fluent	solution
front cover	sound out
genre	space
group	text
illustrations	text support
illustrator	title
inflection	title page
letters	uppercase
like	vowel
listen music	word
lowercase	write

<b>First Grade Math Words</b>	
group	centimeter
combinations	inch
equal sign	half hour
true	minutes
false	digital
unknown	half-circle
digits	quarter-circle
two-digit number	prism
greater than sign	half
less than sign	fourth
mental math	quarter (fraction)
unit	nickel
addends	halves
curved surface	equal parts
half of	related facts
doubles minus one	fourths
flat surface	minute hand
doubles plus one	unequal parts
rectangular prism	unequal shares
quarter of	hour hand
quarters	

<b>1<sup>st</sup> Grade ELA Words</b>	
adjectives	opinion
blends	phrase
character trait	plot
collaborate	poem
comma	prefix
complete and compound sentence	pronouns
comprehend	punctuation
conjunction	research
connections	root word
define	segment
detail	sequence
diagraph	setting
discussion	solve
explanatory text	solved
fable	spelling rule
fluency	suffix
glossary	summary
heading	syllables music
informational text	table of contents
lesson (moral of story)	text feature
narrative text	verbs
nouns (common, proper, possessive)	writing process

<b>Second Grade Math Words</b>	
addition facts	dollar
skip count	quarter (coin)
expanded form	half dollar (coin)
standards form	cents
number names	line plot
value	angles
ruler	faces
yardstick	quadrilaterals
meterstick	pentagon
measuring tape	hexagon
foot	rows
yard	columns
meter	thirds
number line	halves
a.m.	place value
p.m.	bar model
estimate	patterns
break apart	regroup
fractional part	product
fact family	problem solving
multiplication	thousands
subtraction facts	three-dimensional
two-dimensional	addend

<b>2<sup>nd</sup> Grade ELA Words</b>	
adverb	folktale
alliteration	historical text
analyze	icon
apostrophe	index
bold print	informative
caption	introduction
compare music	main idea
conclusion	moral
context clue	paragraph
contraction	point of view
definition	reflexive
diagram	revise/edit
expression music	subheading
facts	topic
resolution	possessive
inference	synonyms
prediction	tense (past-present-future)
word web	plural nouns
paragraph	singular
indent/indentation	persuasive
proofread	

<b>Third Grade Math Words</b>	
multiply	fraction bar
product	numerator
divide	denominator
quotient	elapsed time
remainder	open number line
array	gram
unknown	kilogram
equal shares	liter
factor	scale (of graph)
variable	square unit
even	area
odd	perimeter
round	rhombus
unit fraction	equation
equivalent	table
whole number	parentheses
dividend	divisor
order of operations	

3 <sup>rd</sup> Grade ELA Words	
abstract nouns	literal/non-literal
audience <b>music</b>	mood <b>music</b>
bold	multi-syllable
cause/effect	myth
comparative	narrator
complex sentence	plot/story line
diagrams/maps	prefix/suffix
dialogue	scene
figurative language	sidebars
headlongs	slang
historical events	stanza
italics	superlative
keywords	theme/central message
line	traits

<b>Fourth Grade Math Words</b>	
estimation	ray
factor pairs	endpoint
multiples	degrees
prime	protractor
composite	points
sequence	lines
area model	line segments
equivalent fractions	right angle
mixed number	acute angle
improper fraction	obtuse angle
decimal	perpendicular lines
hundredths	parallel lines
tenths	right triangle
pound	line of symmetry
ounce	conversion

<b>4<sup>th</sup> Grade ELA Words</b>	
animations	paraphrase
categorize	pose (ask a question)
chronology	prepositional phrases
concrete words	prose
drama	quotations
firsthand account	relative adverbs/pronouns
formatting	root
headings	second hand account
inference	sensory details
interactive elements	stage directions
meter	timelines
mythology	transitional words
narration	verse
